

McKesson Business Services Compliance Packaging

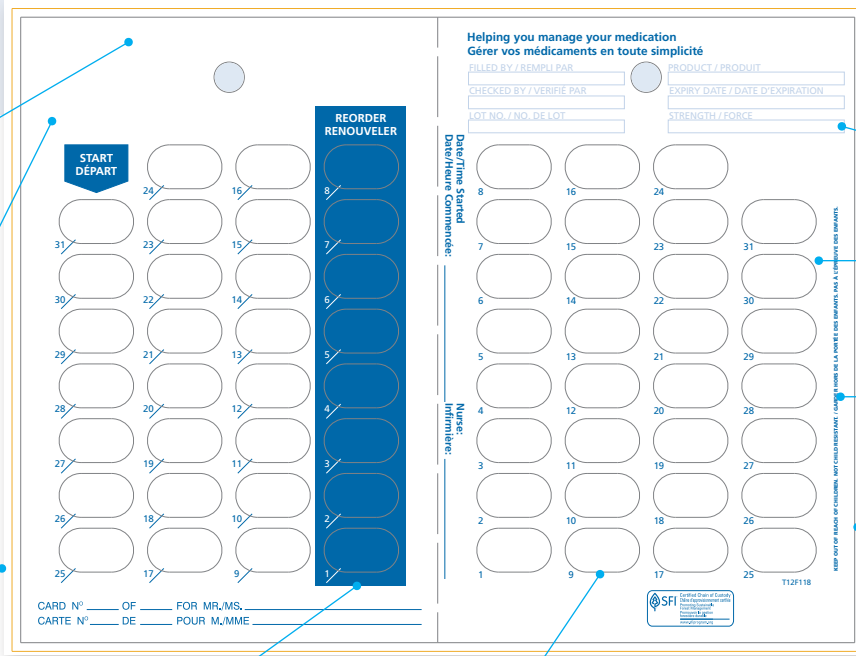

**Rx Compliance Packaging Solutions That
Help Pharmacies Improve Patient Adherence.**

31-Day Single-Dose Medication Management System

Designed with pharmacy workflow efficiency in mind

To meet the needs of today's busy pharmacy, our monthly single-dose card comes in a book-style panel and grid combination with a selection of blister sizes to fit a variety of dosing-regimens. The single-dose card allows for manual preparation that streamlines filling for high-volume pharmacies.

Large top area accommodates all industry standard single-dose medication labels

Custom print your card to showcase your brand and messaging (or to denote the packaging of narcotics)

Measures approx. 9"H x 12"W open; 9"H x 6"W closed

Reorder "ribbon" reminds patients and caregivers to re-fill prescriptions

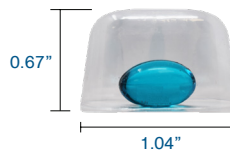

31 cavities hold a full month's worth of medication

Space to record important dispensing details

Easy-puncture foil provides tamper-evident storage for medication

"Not child resistant" statement is pre-printed

Easy-to-remove liner and permanent adhesive provide a secure seal without requiring a heat seal press

Flexibility to choose one of three blister sizes to meet varying dispensing requirements (XL blister shown)

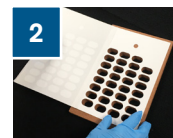

Manual Unit Dose Cold Seal System

6 Easy Steps for using our Manual Cold Seal System

- Large area for applying your pharmacy's label
- Variety of sizes to meet dosage requirements
- Easily view pills and know when to reorder

1 Place blister in tray

2 Insert blister in card

3 Insert pills

4 Peel liner to reveal adhesive

5 Fold adhesive panel to blister

6 Seal using roller

Qube Medication Management System

Qube Multi-Dose compliance packaging is the perfect solution for pharmacies looking to offer patients the help they need in taking their medications as prescribed no matter how complex the regime.

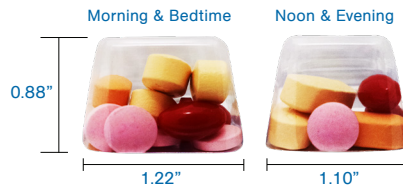

- Easy-to-follow recommendations for use by patients and caregivers
- Custom-print your card with up to 9 colors to showcase your brand and messaging
- Clear blisters are easy to check against adjacent medication label to confirm accurate filling
- Easy-puncture foil provides tamper-evident storage for medication
- "FDA side effect" and "not child-resistant" statements are pre-printed
- Large inside panel accommodates all industry standard multi-med labels or up to 10 standard 2" x 3" labels
- Larger morning and bedtime cavities hold more medications at the times they're needed most
- Adherence cards provide quick visual confirmation that medication has been taken

Qube Multi-Dose

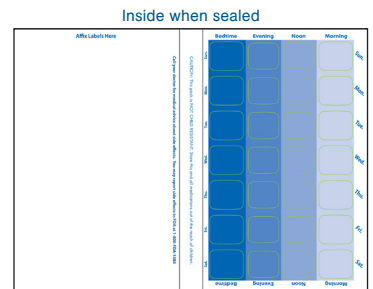

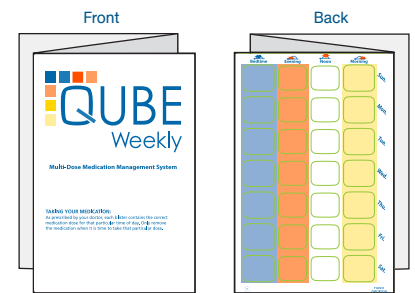

- 28 cavities hold an entire week's worth of medications
- Large text depicts what time of day to take medication
- Easy grid system for patients to locate the correct medication pass

Generous cavities easily accommodate multiple medications

- Easy-to-remove liner and permanent adhesive provide a secure seal without requiring a heat seal press
- Measures 10"H x 6-3/8"W x 7/8"D when completely assembled
